

THANK YOU FOR YOUR INTEREST IN ADOPTING OR FOSTERING A BEAGLE THROUGH SOUTHERN ARIZONA BEAGLE RESCUE!

Thank you for your interest in adopting or fostering a beagle through Southern Arizona Beagle Rescue (SoAZBR). SoAZBR is a **non-profit, no-kill, and all volunteer** organization dedicated to beagle rescue. We provide rescue, education and referral services for beagles from area shelters and beagles from homes that can no longer keep their dog. We work with both purebred beagles and beagle mixes.

SoAZBR does not have a shelter; all of our dogs are fostered in volunteer homes or kept in their current home until a new home is found. SoAZBR's adoption fees range from \$75 to \$225, depending on the age, health and adoptability of the dog. Young puppies can range up to \$275.

The adoption fees help pay for the healthcare, spay/neuter, and vaccinations of the beagles we rescue. The adoption fee does not necessarily cover SoAZBR's cost to get a dog ready for adoption; **we rely on donations to cover the rest!**

SoAZBR is not a source for beagle puppies. Young healthy puppies are not usually turned into rescue. Sometimes we have been able to rescue puppies from puppy mills, but most of our rescue dogs are 1 to 8 years old and desperate for a loving home to care for them forever. If you are interested in a puppy or if we do not find an immediate match for you from our available dogs, we can put you on our waiting list after we receive your completed application and have also completed your required home visit. If you are set on a young puppy, we can offer tips on selecting a quality breeder, and avoiding the numerous casual beagle breeders in Arizona. **PLEASE DO NOT PURCHASE A PUPPY FROM A PET SHOP;** these dogs are bred in out-of-state puppy mills in horrific conditions and they can have serious health problems. People who purchase puppies from pet shops and casual backyard breeders support an industry that is interested only in profit, not the health or well-being of the animals.

The average length of time from application through adoption can be up to 3-4 weeks. The more open you are to age, color, gender, physical condition or beagle mixes, the higher the likelihood we can find a match for you.

The adoption process will involve:

- Review of your application
- A home visit
- Discussion on which beagle may be a good match for your family
- Adoption

THANK YOU FOR YOUR INTEREST IN SAVING A LIFE!
